 Ward Canyon Channel 22 · code 30	Sherwood		

Group channel: any channel but the community one, for talk inside your party. The privacy code does not matter there.

Check in when you start. Keep calls short. Key up for hazards, before complex terrain, when you are clear of a line, and in emergencies.

Zone file and GPX: tahoebackcountryradio.org/zone-map · Printed October 19, 2026. Zones can change; the sign at the trailhead is right.

Privacy code 30 on every community channel. Outside the zones: channel 5 · 30. The trailhead sign is the final word on the channel.
